Samsung Galaxy S26 Ultra Price in Bangladesh

The Samsung Galaxy S26 Ultra is one of the most powerful Android smartphones in 2026. Samsung brings a premium design, advanced AI features, a large AMOLED display, and a professional-level camera setup. If you want a flagship phone for gaming, photography, video editing, or daily heavy use, the Galaxy S26 Ultra can be a great choice.

Samsung Galaxy S26 Ultra Price in Bangladesh

The expected unofficial price of the **Samsung Galaxy S26 Ultra price in Bangladesh** starts from around ৳**118,999** for the 12GB RAM + 256GB storage variant. The 1TB version may cost around ৳**179,999**. Unofficial variants are available at lower prices in Bangladesh.

Samsung Galaxy S26 Ultra Key Features

- 6.9-inch Dynamic LTPO AMOLED 2X display
- 120Hz refresh rate with HDR10+
- Snapdragon 8 Elite Gen 5 processor
- 200MP quad rear camera setup
- 12MP front selfie camera
- 5000mAh battery with fast charging
- Android 16 with One UI 8.5
- IP68 water and dust resistance
- Galaxy AI features for smart usage

Premium Design & Display

Samsung Galaxy S26 Ultra comes with a stylish and premium body design. The phone uses Gorilla Armor 2 protection on the front and a strong aluminum frame. It feels solid and comfortable in the hand.

The 6.9-inch AMOLED display looks stunning with bright colors, deep black levels, and smooth scrolling. Watching movies, gaming, and browsing social media feels excellent on this large QHD+ screen. Samsung also added a special privacy display feature that helps protect your screen from side viewers.

Powerful Performance

The Galaxy S26 Ultra is powered by the latest Snapdragon 8 Elite Gen 5 chipset. This processor delivers fast performance for gaming, multitasking, video editing, and AI tasks. Apps open quickly, and heavy games run smoothly without major lag.

With up to 16GB RAM and 1TB storage options, users can store many apps, photos, videos, and files easily.

Camera Performance

Samsung continues its flagship camera experience with the S26 Ultra. The phone features a 200MP main camera, telephoto lenses, and an ultrawide sensor for professional photography.

Photos look sharp and detailed in daylight and low light. Zoom performance is also impressive, making it useful for travel photography and content creators. Video recording supports high-quality 8K recording with advanced stabilization features.

Battery & Charging

The Samsung Galaxy S26 Ultra packs a 5000mAh battery that can easily last a full day with normal to heavy usage. Samsung also improved the charging speed with faster wired charging support.

Users can enjoy gaming, streaming, video calls, and social media for long hours without worrying too much about battery backup.
